Ward Priorities

Burglary

To visit every burglary on the ward. To maintain and reduce residential and non-residential burglaries across the ward.

Vehicle Crime

To visit victims of vehicle theft. To reduce motor vehicle crime - including theft of and theft from motor vehicles.

Community Engagements

To engage with members of the community ranging from youths to the elderly.

Sanderstead Engagement report

Our local Sanderstead SNT put together a few community engagement assignments to help us further hear from Sanderstead residents on any policing issues relating to our ward.

One of these, included a walk, talk and do event along Limpsfield road which was an opportunity for us to go public facing and speak to members of the Sanderstead ward on issues relevant to policing and how best to address these moving forward.

Community Support Link

Local SNT officers continue to work closely with the Croydon council trading standards in enforcing and highlighting potential areas of consumer safety during this festive period.

Please find some of the useful links shared via the link provided below on consumer safety

What is a Safer Neighbourhoods Teams (SNT)

Your Safer Neighbourhoods Team (SNT) is a group of Met police officers dedicated to serving your community.

The team is made up of officers based in your area (or 'ward'), supported by additional officers from the wider area. We work closely with local authorities, community leaders and residents to decide our policing priorities for the area.

This helps us to find useful, long-term solutions to local problems, while maintaining our wider focus on reducing crime across London.

Further advice can be obtained by emailing;

trading_standards@croydon.gov.uk and to report a suspected crime, or if you fallen victim to fraud or cyber-crime, contact action fraud via its website or by calling 0300 123 2040.

Our Extra Ward Bits: We continue to have our monthly Cuppa with a Coppa community posting at Costa Coffee Limpsfield road. The traditional event was held again this month to help us speak to our residents on anything pressing with regards to our work in the community.

The aim here was to address a broad range of subjects from, anti-social behaviour reports all the way to any upcoming community assignments which require our attendance or those we are openly invited to by members of the public.

Neighbourhood Watch

Neighbourhood Watch is about people getting together with their neighbour's to take action to reduce crime.

They're community initiatives owned and run by their members which are supported by the police but not owned by them, although we sometimes run them.

They work by developing a close relationship between community members and the local police.

Neighbourhood Watch schemes can:

- cut crime and the opportunities for crime
- help and reassure those who live in the area
- Encourage neighbourliness and closer communities
- Go to www.cbnwa.com to find out what groups are active in your area and to register to join.

We organise contact points sessions, which are face to face sessions that members of the public can attend and discuss any concerns you may have with local officers. Please see dates, times and locations. Please let us know if you plan on attending.

Active community links:

Sanderstead officers have taken an active role in joining together with our neighbouring wards of Forestdale and Selsdon on another joint operation effort which was intended to curb the rising number of ASB reports of cannabis and drug dealing. This was carried out both on foot and Mobile patrols in and around the marked area of our opp.
