

Dear Neighbour,

Ref No: MPC/LR WK 37 SCU1 11m 44ch to 19m 67ch

**Improvement Works - South Croydon to Oxted**

I am writing to inform you that Network Rail needs to undertake essential works near your property.

**Works will be undertaken during four night shifts, from 23:30hrs to 05:30hrs, starting on 11th December and finishing in the morning of 15th December 2017.**

We will be working on the ballast and repairing track defects.

Under our licence conditions we are contractually obliged to work at times that cause the least disruption to train services. This means our work will often happen during the night and at weekends.

The equipment we use means some disturbance is unavoidable, but we will make every effort to minimise any unnecessary noise.

I hope this information is helpful and we apologise for any inconvenience these essential works may cause. If you have any additional questions or concerns, please visit **www.networkrail.co.uk** or telephone our **24-Hour National Helpline on 03457 11 41 41**.

Yours sincerely

Andrew MacKinnon  
**Community Relations Manager**
