May Newsletter 2023

Purley and Woodcote SNT team have continued to be proactive in and around Purley high street. This month we have been focusing on robberies at certain times of the day such as school kick out times and late nights. This consisted of the team providing extra visibility around the hot spot areas.

The team also had a really good results with identifying two individuals for parcel theft who have now been taken off of our ward, the individuals would target the flats in our area taking anything that was left on the doorsteps or in the communal areas, they have since been charged for this.

We continue to engaged in community events such as walk and talk with the neighbourhood watch coordinator, we attended the Purley Fete on Saturday 24th June and it was lovely to engage with all the residents whilst hearing about all the new developments such as a New M&S coming to Purley and the changes to the leisure centre.

Lastly, we look forward to seeing you at our monthly Coffee With A Copper event. It is really helpful to hear from as many residents as possible about concerns in the local area and we love to engage with as many residents as possible, we look forwards to seeing you there!
