

Purley Oaks & Riddlesdown SNT Update JULY 2023

Dear Ward Member,

This is an update where you can find information on crime and policing within the Purley Oaks & Riddlesdown Area. As your local police team our aim is to reduce crime within the area to make it safer for the community.

We have set priorities that are discussed at our ward panel meetings which we focus on to reduce crime in the area and provide reassurance to the members of the ward. Please feel free to contact the team to discuss concerns and/or the statistics.

PRIORITIES

As part of our ongoing commitment to tackling crime. Here are two of the areas we aim to prioritise.

Theft from motor vehicles - In order to prevent this we need you all to remain vigilant. We have created a crime prevention leaflet on the topic of Theft from Motor Vehicle, which is attached. This has information on ways to protect your vehicle and prevention advice on Catalytic Converter Theft.

Burglary - Our aim is to reassure residents on our ward and we will be offering crime prevention advice and how to keep your properties and belongings safe, see attachment. We are hoping to set up more contact points in the coming months so we can give everyone burglary prevention advice. Please come along to our next contact point to meet officers and find out more.

If you see any of this please report it via 999, 101 or online whichever you find easiest.

OTHER NEWS

- This month saw officers carry out a 3 day plain clothes operation to combat theft from motor vehicle. This resulted in a number of vehicle stops and stop and searches, and all helps towards ongoing commitment to tackling Theft from Motor Vehicle crimes.
- We hosted a Bike marking event at Riddlesdown Common, it was great to meet some of our local residents and a total of 22 bikes were marked.
- In relation to speeding issues we had an operation day where we were out conducting speed gun checks on our ward. If you have any issues relating to speeding send us an email and we will add the road to our list.
