Coulsdon Town, Kenley, Old Coulsdon and Purley & Woodcote Wards

A few words from the Ward Sergeant:

Another busy month beginning with a major operation to deal with the increased vehicle ASB problem over the first Bank Holiday weekend of May. Operation Crosshair pooled the resources of Traffic units from across London with SNT. In Croydon the main focus was to catch culprits in Valley Park. As a result we issued 14 Section 59 notices, seized 8 vehicles, reported 13 people for various driving offences, issued 5 Community Protection Warning Notices and arrested 2 people for driving under the influence of drugs. People who were unable to access Valley Park attempted to form meets at Purley Tesco, Imperial Way and Vulcan Way however they were quickly intercepted by our Road Traffic Cars and dispersed from the area. Further operations are planned in conjunction with proactive work with the Council and Tesco's to prevent further incidents in the area. Working with neighbouring Wards we have assisted with drugs warrants around our boundary reducing problems affecting our wards. It has not all been about operations and there has been some good community work with the lifting of lockdown restrictions which has meant we continue with school and community visits across our wards. The Ward officers will advertise the engagement and events through Social media and we look forward to meeting with residents again!

Yours Faithfully

APS Lambert Singer – Ward Supervisor.

What's a TOR I hear you say? It stands for Traffic Offence Report – a multipurpose ticket that can cover speeding or other offences from seatbelts to no insurance.
