

Purley and Kenley Newsletter

February 2025

Dear Ward Member

Welcome to the latest edition of the newsletter. We would like to give you an update about crime and policing information in the area. Safer Neighbourhood Team's are working with residents and key members of the public, namely the Ward Panel in order to set three priorities, which we will focus our efforts on in order to reduce crime and anti-social behaviour in the area.

PRIORITIES

Priorities are set by Ward Panel members and are supported by the SNT based on the information about criminal activity across the ward, as well as crime and anti-social behaviour statistics and trends. Our current priorities are:

Kenley

- Motor Vehicle Offences
- Theft: Shoplifting
- Violence Against a Person

Purley and Woodcote

- Motor Vehicle Offences
- Burglary
- Violence Against a Person

The Street safe website allows anyone to report areas where they do not feel safe. Report an unsafe area to this website <http://www.police.uk/streetsafe>

Kenley and Purley SNT hope everyone is well and staying safe. We are finally moving into better weather (fingers crossed it stays!) thankfully with brighter and longer days we tend to see a decrease in Theft of motor vehicles and burglaries, don't worry though will continue to tackle these crimes throughout spring and summer as we have attempted to do throughout the winter months.

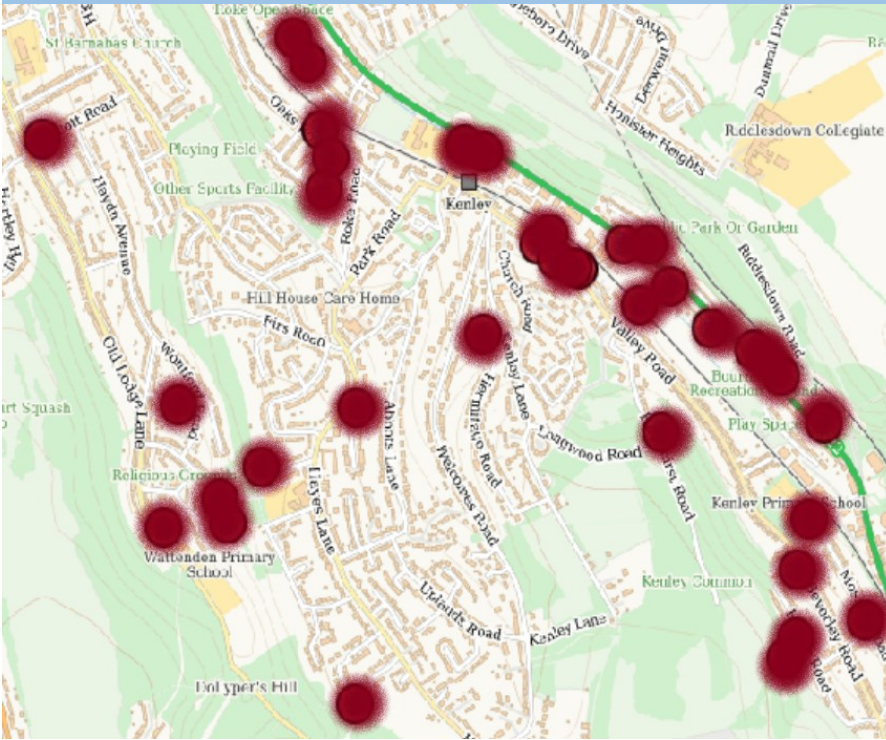

As seen from the screenshot of one PCSO Amir's many foot and mobile patrols! These foot patrols provide a valuable opportunity for community engagement and intelligence gathering. These interactions with residents contributed positively to our understanding of local concerns and strengthened our connections within the community.

Some sad news for the team this month was that PC Liam McCarthy has left the team and moved across the border to our neighbours Sutton and joined their response team. Liam was a part of Purley SNT for over 3 years and formed many relationships with stakeholders and residents across the ward. He will be sorely missed and we wish him the best for the future! PC Jack Killian is moving across from Kenley SNT and taking over Liam's role working on the Purley ward.

One of PC McCarthy's last days on the ward was obtaining and completing a drugs warrant in Purley. After many reports and intelligence provided by local residents, the team conducted the warrant and found a cannabis factory. A male was also found inside of the address and was arrested by PC Lundie. Multiple cannabis plants have been seized and destroyed, the investigation is ongoing, however this was a very successful job by all involved.

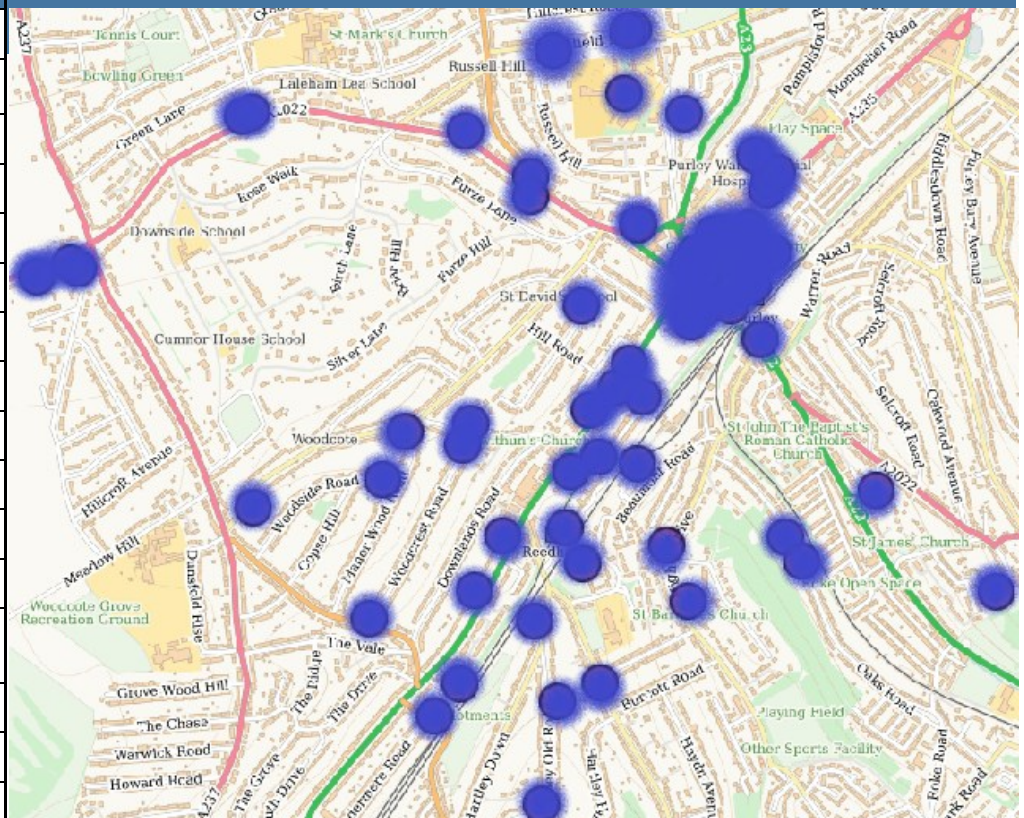

Kenley Crime count in February 2025

Classification	Total

Domestic Abuse

What is domestic abuse?

Domestic abuse can include threats, violence, and coercive or controlling behaviour between people who have a relationship with each other (or have had in the past).

It can happen to anyone regardless of gender, sexuality, culture or religion.

It's based on one person having power or control over another, and it can worsen over time.

This can include but isn't limited to the following types of abuse:

- violent
- psychological
- financial
- emotional
- sexual

Domestic abuse also includes honour-based abuse and forced marriage. The Crown Prosecution Service website has a breakdown of the types of domestic abuse. Just one incident counts as abuse.

www.cps.gov.uk/domestic-abuse

How to report domestic abuse

If you are suffering from domestic abuse, you're not to blame for what's happening. You're not alone.

Our first priority is to protect you and any children you have. If the situation is an emergency an officer will attend and, if appropriate to do so, arrest the perpetrator, and take action to protect you from further harm – giving you time to think.

You can report it to us or, if you're not ready to speak to the police, you can contact support organisations who will help you.

www.met.police.uk/how-to-report

If you have a hearing or speech impairment, use our textphone service 18000 or text us on 999 if you've pre-registered with the emergency SMS service.

www.relayuk.bt.com

Other ways to report:

- online www.met.police.uk/report-domestic-abuse
- by calling 101 (If you have a hearing or speech impairment, use our textphone service on 18001 101)
- in the safety of your local police station (if you require a translator, we can provide someone initially by phone and later in person)

In an emergency, dial 999, or dial 101 in non-emergency.

For all other police related enquiries visit www.met.police.uk

Domestic Violence Disclosure Scheme (DVDS) Clare's Law

'Clare's Law' gives members of the public a right to ask police if they are concerned that their partner or former partner may pose a risk to them. You can also ask about the partner of someone you know. Members of the public can make a request under Clare's Law at police stations or at www.met.police.uk

Support Agencies

For organisations who can provide help and support, please visit

www.met.police.uk/support-agencies

Please check their websites for opening times and further contact information.
