September Newsletter 2023

September has been a very proactive month for the Purley and Woodcote SNT. We began the month working closely with the Boots store on Purley high street, the main focus was tackling the shoplifting issue which had gripped Boots over the past few months. One penalty notice fine was given to one individual and one other was arrested as over £1500 worth of cosmetics was found inside their vehicle, the investigation is still ongoing.

The SNT attended the Purley festival, we got to speak to our lovely residents and engage with some youth clubs groups such as Girl Scouts. It was a lovely event planned by our BID, bringing the community together.

We look forward to getting your cycle bikes marked in October, a poster will be sent out shortly.

In an emergency,
always dial 999
