Burglaries

Over the last month we have had a number of burglaries in the Purley area. We just want to send a friendly reminder in ways you can reduce yourself from being a victim of burglary.

- Close and lock all your doors and windows, even if you are only going out for a few minutes
- Make sure UPVC doors are properly locked with a key
- Keep all valuables away from windows and out of site.
- Keep bins away from fence gates and fences to reduce Burglars climbing over your walls?

Motor Vehicle Crime

- Consider installing security devices such as immobilisers, alarms or steering locks
- Never leave your sat nav in the car and don't have home set

August 2021

Croydon police received a number of reports of a white Peugeot that had been going round the borough committing theft from motor vehicles. We had two reported incidents on the ward one of which the suspects were disturbed and left empty handed. Each time a theft occurred number plates were changed. Officers on patrol spotted a vehicle believed involved, a foot chased occurred and all three were arrested and will have a court date

Noise Pollution/Nuisance

The council has powers to deal with noise that is considered a statutory nuisance. A statutory nuisance is determined by a number of factors including, but not limited to type of noise, volume, frequency, duration and its impact on others.

The council generally adopts an escalating approach to noise enforcement and can deal with unreasonable noise from loud music, parties, dog barking, car and house alarms. The civil law enables Croydon council to take action against those who cause a noise nuisance, which can result in a fine and confiscation of any equipment causing the noise.

Noise the council cannot deal with

While the council's legal powers enable them to deal with unreasonable noisy activities, they cannot deal noise that arises from people going about their normal day to day activities in a reasonable manner such as

Noise that can be heard due to poor sound insulation, for example neighbours talking or walking on wooden floors, doors being closed, children playing in gardens or on the street.

To report noise nuisance please email pollution@croydon.gov.uk or 0208 760 5483
